

Ohio State Fair August 7 & 8

The Shropshire breed boasted the largest numbers at the Ohio State Fair this past August with 103 Junior Show sheep and 150 open Show Sheep. The weather was pleasant without the sweltering heat of other years. This breed secretary flew to Columbus for her first Midwest state fair and was not disappointed. Agriculture promotion was everywhere as it should be in spite of the now too common budget cuts. The sheep show featured excellent quality and it ran deep in many classes. The open show even received a visit from Ohio Senator Democrat Sherrod Brown. He arrived with his entourage in the middle of the one of the Yearling Ewe Classes. One of his aids was Joe Shultz, son of Bill Shultz. Senator Brown observed the show, spoke to the crowd and mingled with the exhibitors in the ring. We were pleased to know that he has an agricultural background. It generated lots of picture-taking and the ring was abuzz for a little while. When the Open Show was said and done, High Life Farm had been presented with the C. Emil Hartzell Memorial Award for the Best Pen of Lambs. This exhibitor also won Champion Ram, Champion Ewe, the Flock Class and was Premier Exhibitor.
