

# Midwest Sale June 23-28

Sedalia, Missouri can be a very hot place in June but it is the place to be if you want to see what is happening in the purebred sheep industry. It is the home of the Midwest Stud Ram Sale where ewes and wethers are available. Sedalia is often a connecting point for sheep being hauled to and from lots of places. Shropshire folks attend this event, too.

The sale is managed by the Sheep Breeder Sale Management Service, run by Larry Mead and crew. It runs June 23-28 on the Missouri State Fairgrounds. Shropshires will

be judged on Tuesday, June 24 at 5:30 p.m. by Brad Gilmore. Classes for yearling rams and ewes, fall ram and ewe lambs, early spring ram and ewe lambs as well as late spring ram and ewe lambs will be shown.

This sale is designated as a futurity-nominated sale. Shropshires will sell on Friday June 27 at 11 a.m. Note times are approximate as they will follow other events.
