NOTE NEW PROCEDURE ON TRANSIT ANIMALS: Information located on the Index to Consignors page.

AMERICAN SOUTHDOWN BREEDERS' ASSOC. SALE WARRANTY: As this is an American Southdown Breeders' Association (ASBA) sanctioned sale, rules adopted by the ASBA relating to Sale Warranty will be followed. "At all sales sponsored by this Association (ASBA) the seller warrants to the buyer that sheep sold are free of hereditary chondrodysplasia (spider), ectodermal dysplasia (hairy lamb) and contain a minimum of one R at codon 171."

HEALTH REQUIREMENTS - U.S. BUYERS: Your local or state veterinarian should be able to update you concerning the health requirements for sheep entering your state. All sheep sold must be in compliance with current Federal Scrapie Regulations. The sale veterinarian will prepare standard, interstate health papers for transportation between states, but it is the buyer's responsibility to be cognizant of and adhere to the entrance requirements of his own state. When entry permits are required, this can often be done prior to your arrival at the sale by contacting your state office. Your local veterinarian can often help facilitate this process.

BUYER NUMBER: Buyer numbers will be used. A buyer number is valid for all sales and in all barns. A valid picture ID is required to be presented at buyer number sign up. Buyer numbers must be issued in the exact way that registration papers are to be transferred. If you register animals in different names, you will be required to get a number for each name

used. A complete name, mailing address and telephone number are required for all buyers to receive a number. This same information is needed by the veterinarians to write complete health papers.

MAIL BIDS: If you cannot attend the sale in person, a number of individuals will be able to handle your bids. These include the Sale Manager, Greg Deakin, the auctioneers, ringmen and judges. All mail bids must have pre-approval by Sale Management prior to the start of the sale. All animals not paid for sale day will be handled as a mail bid. You can have the agent handling your mail bid pay your balance on sale day with your check, cash or credit card. All mail bids not paid for sale day will be assessed a 5% fee. The above Buyer Premium applies to all mail bids. Banner Sale Management advises that you contact us well in advance of the sale if you are considering using a mail bid at this sale.

TERMS AND CONDITIONS

TERMS: Cash. All purchases are to be settled with the clerks immediately following the sale and before the sheep are removed from the premises unless arrangements and approval have been made with the Sale Manager prior to the sale. The auctioneer's decision is final on any disputed bids. All animals are at purchaser's risk as soon as sold. Sheep purchased on order must be paid within five (5) days of the sale. A 10% handling fee will be added to all mail bids not paid within five days of the sale. A 20% surcharge will be assessed to any insufficient funds check issued. Buyer shall be responsible for any and all costs of collection, including attorney's fees. Institutions may pay by requisition. Foreign buyers must pay in U.S. funds. Registration papers will not be transferred to the new owner until paid in full.

SALE GUARANTEE

Except for those stated in the below guarantee, there are no warranties, either expressed or implied, as to the merchantability of fitness for a particular purpose with respect to the sheep being sold in this sale.

The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provide, and all obligation or liabilities.

1 – Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial, and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown subsequent to the date of the sale. All ewe lambs are exempt from the breeding guarantee the first year.

2 – Notification of non-breeder rams must be made to the seller prior to October 1st following the sale; notification of non-breeder ewes must be made to the seller prior to April 1st the following year.

3 – Any lambs who drop their lamb's teeth prior to 12 months of age as determined by their registration paper, shall be replaced with a lamb of equal quality to the satisfaction of the buyer within a reasonable amount of time, or the consignor shall refund the purchase price of the lamb promptly with all feeds and percentages levied against such a lamb retained by the sale. It shall be the responsibility of the buyer to notify the consignor, and then the sale manager, if such a problem occurs. Any consignor failing to comply by this rule shall automatically be barred from consigning any sheep in the following sale.

4 – In the event any ewe represented as being open lambs within 140 days from date of sale, seller agrees to refund the buyer the full purchase price, or buying credit, or replacement ewe, upon delivery of the ewe and lamb(s) back to the seller.

5 – This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed or implied.

6 – Neither the Sale Managers nor sponsoring organizations can or will assume any responsibility as to the authenticity of the pedigrees, bloodlines, or information provided in the sale catalog, pen cards or otherwise, and the subsequent genetic performance of any sheep purchased. All such information must be accepted at face value. Any statements or information given sale day supersedes cataloged information. Full Monty sired a great set of lambs for us a year ago. Dalton Hicks of Oklahoma bought a son that was Champion in the NAILE Junior Show, Tulsa, Houston and the Missouri Premier. A daughter won her class for Clay Verhaeghe, Indiana, at the All-American. Our Reserve Junior Champion at NAILE was another daughter. We sold him to the Robertson Family of Indiana and his son, Full Nelson, will carry on in our flock. Check out this beautiful ewe.

NEW PROCEDURE ON TRANSIT ANIMALS: All sheep in transit on the Preble County Fairgrounds will be held in accordance to all Big Ohio Sale rules. Both USDA and Ohio State Veterinarian staff will be on the grounds to inspect sheep and their health papers in all trailers and those housed in the horse stalls. All delivery sheep must have permanent I.D., display proper scrapie tags and state final destination on their paperwork.

All horse stalls will be locked with a Big Ohio padlock. Keys can be "checked out" for use of holding transit sheep. Horse stall rent is \$50 plus a \$10 refundable key deposit. Contact Preble County staff on Monday or Tuesday, or contact Sam Wiford or Tyler Lobdell of Banner Sale Management staff Wednesday through the weekend. Stalls may also be reserved by calling sale management at 309/785-5058 before Monday, May 6.

NOTE!

Entries with a bar paint branded beneath the lot number are substitutes for the information listed in the sale catalog.

FUTURITY EWES

All ewes with an "F" paint branded on the point of their shoulder are nominated for their breed's Futurity program.
