11 Fall Ram Lamb

Apple 21-4

Born: 9/4/21 TW RR

Sire: WWSF 18-13321A "Pressure"

Dam: Apple 18-23

Our lead stud ram "Pressure" died in June, so this fall born group is your last chance to own his genetics. This fall ram lamb has great length and a square hip but won't be a giant. If you're wanting to size up a bit while maintaining structural correctness, take a close look at him.

15 Yearling Ewe

BarnTalk Livestock 4018

Born: 2/12/20 S QR+

Sire: Apple 19-20 "Skunk"

Dam: Apple 13-2 by "Main Attraction Son"

A pedigree that is the who's who of 400N in Greenfield. Skunk is sired by Pressure and dammed by John's Perzee ewe that won her class at Indianapolis in 2018. 13-2 is sired by the Main Attraction and dammed by the Reid ewe that was Champion at the Ohio Sale in 2010. We have been really lucky that 13-2 always has a ewe lamb. We feel like it is time to share with multiple sisters in the flock already. 4018 will never be one who is considered short necked, short sided or ugly. Pour the coals to this lady for the ring, then reap the rewards of her genetics next spring!

16 Yearling Ewe

BarnTalk Livestock 4024

Born: 2/16/20 TR QR+

Sire: WWSF 19-26 "Dum Dum"

Dam: Apple 15-24 by "Harry" son

We were lucky enough to breed 15-24 to Dum Dum before we bought him in the fall of 2019, then she had triplet ewe lambs on top of that. Dum Dum's twin sister was undefeated ewe lamb in 2019 for the Hall's, Reserve at Freedomfest, Reserve Supreme at Hancock Co. and Reserve at Indianapolis behind the ewe that ended up being National Champion Ewe in 2020. Dam was Reserve at Indianapolis in 2016. Awesome hipped, breed character. Good set of feet and legs. Look in on this gal, we think she will show you what's up and coming from Dum Dum.
