

Shropshire Ambassador Contest

Are you an enthusiastic junior member who is excited about the Shropshire breed? Do you have lots of leadership skills, love to speak to groups, like to travel, and have a passion to promote our breed? If so this is for you. The American Shropshire Registry Association is looking for its first ever Ambassador to *promote* and represent the breed at events throughout the United States.

This is to be a one year term to begin at the Ohio Shropshire Classic Sale to be held in Ohio in May. The selection process will consist of an application and interview process. Once selected, the ambassador will be required to attend the following functions: Ohio Shropshire Classic (for selection interview), National Shropshire Sale, National Shropshire Show, your own state fair, and at least one more state fair or regional show. If there are meetings *or* banquets related with these events you will be asked to attend to speak about the Shropshire breed and special events that are taking place. You will also be required to take an active role in any fundraisers that are being held for the association. From time to time the board of directors may also ask you to take part in one of their meetings to discuss future plans. After you have been selected, you will work directly with the head of the youth committee to make all of your plans and help you with whatever you may need. You will also be asked to submit an article or report to the Shropshire Voice for each publishing.

Who can apply? Any junior Shropshire member in good standing who is at least 15 years of age as of January 1, but not to exceed 20 as of January 1. Applications may be obtained from the registry office and are due back to the office by April 1, 2009 (postmarked by this date will be accepted). Finalists to be interviewed at the Shropshire Classic will be notified by April 15, 2009.
